Houghton Road Corridor

22ND STREET TO IRVINGTON ROAD

Houghton Road Corridor Overview

The City of Tucson Department of Transportation (TDOT) is designing improvements to widen Houghton Road with four to six lanes from Tanque Verde Road to Interstate 10. This project is part of the \$2.1 billion, 20-year RTA plan that was approved by voters in May 2006.

Houghton Road: 22nd Street to Irvington Road

Design of the Houghton Road: 22nd Street to Irvington Road project began in fall 2016. The design concept and initial design were established during the Conceptual Design phase which started in 2006. Improvements will extend from just south of the 22nd Street intersection to immediately north of the Irvington Road intersection and will include bridges at the Pantano Wash. The process is anticipated to take 18 to 24 months. Two public meetings will be held during the design phase, one near the middle of the design process and one near design completion prior to starting construction.

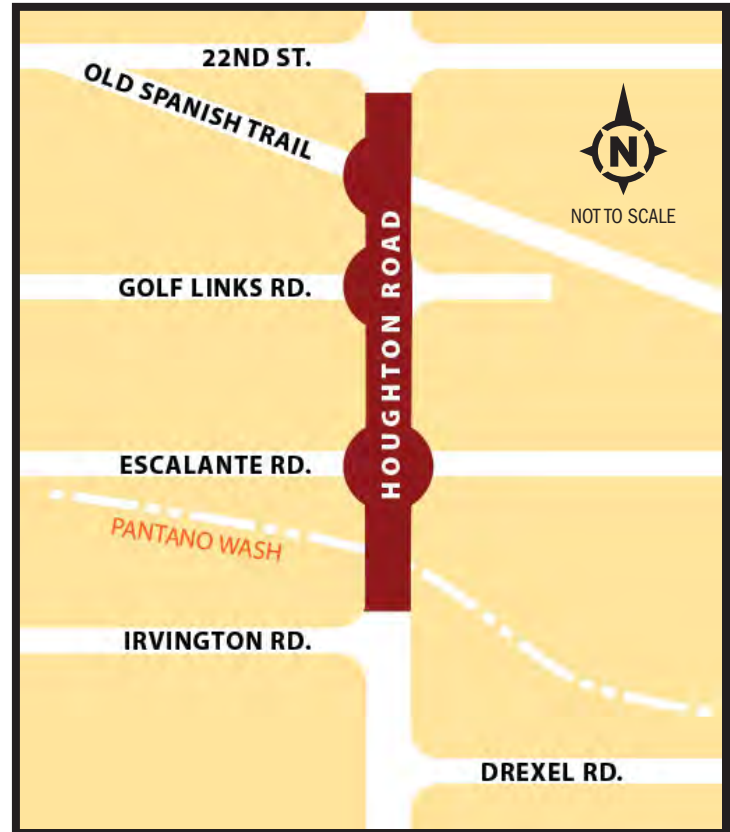

Improvements Include:

- Widening Houghton Road to a curbed six-lane roadway with median
- Retrofit of existing Pantano bridge and addition of a new bridge
- Left-turn lanes and dedicated right-turn lanes at Old Spanish Trail, Golf Links Road and Escalante Road intersections
- HAWK pedestrian crossing signal at Secrist Middle School
- New and upgraded traffic signals at Old Spanish Trail, Golf Links Road and Escalante Road intersections
- Drainage improvements to provide all-weather access during major storms
- Bus pullouts
- Improved asphalt surface for noise mitigation
- Bicycle and pedestrian facilities
- Native landscaping with water harvesting
- Roadway lighting
- Public art

Background

Recommendations for the Houghton Road improvements are based on:

- Engineering and environmental considerations
- Public information gathered during the Arizona Department of Transportation's Houghton Road Corridor Study [2002-2004]
- Public outreach efforts conducted during the City of Tucson's Conceptual Design and Final Design Phases [2006-present]

Who are the authorities?

The two main authorities enabling Title VI implementation, compliance and enforcement are the Civil Rights Act of 1964 and the Civil Rights Restoration Act of 1987. However, other statutes, laws, regulations, executive orders and the United States Constitution provide guidance for the effective execution of the objectives of Title VI.

THESE INCLUDE:

- Federal-Aid Highway Act of 1973
- Section 504 of the Rehabilitation Act of 1973
- Americans with Disabilities Act of 1990
- Age Discrimination Act of 1975
- Uniform Relocation Act of 1970
- Executive orders 12898 and 13166

Title VI compliance

Title VI compliance is a situation where TDOT has effectively implemented all the Title VI requirements or can demonstrate that every good faith effort has been made toward achieving this end. As a subrecipient of federal highway funds, TDOT is required to prevent discrimination and ensure nondiscrimination in all programs and activities whether they are federally funded or not.

TITLE VI KNOW YOUR RIGHTS

What is Title VI?

Title VI of the Civil Rights Act of 1964 is the federal law that protects individuals and groups from discrimination on the basis of their race, color and national origin in programs and activities that receive federal financial assistance. However, the Federal Highway Administration's (FHWA) reference to Title VI includes other civil rights provisions of federal statutes and related authorities to the extent that they prohibit discrimination in programs and activities receiving federal financial assistance.

TDOT's Title VI Policy

Pursuant to Title VI of the Civil Rights Act of 1964 as amended, the Civil Rights Restoration Act of 1987 and other nondiscrimination authorities, it is the policy of the Tucson Department of Transportation (TDOT) that discrimination based on race, color, national origin, sex, age or disability shall not occur in connection with any of its programs or activities. TDOT's efforts to prevent discrimination will address, but not be limited to, a program's impact upon access, benefits, participation, treatment, services, contracting opportunities, training opportunities, investigation of complaints, allocation of funds, prioritization of projects and the functions of research, planning, project development, design, right-of-way acquisition and construction.

"At Tucson Department of Transportation, our goal is to ensure that every effort will be made to prevent discrimination through the impact of our programs, policies and procedures."

What programs are covered?

Federally assisted programs include any highway, project, program or activity for the provision of services and for other benefits. Such programs include education or training, work opportunities, health, welfare, rehabilitation, housing or other services, whether provided directly by TDOT or indirectly through contracts or other arrangements with other agents.

What type of discrimination is prohibited under TDOT's Title VI program?

Discrimination under our Title VI program is an action or inaction, intentional or not, through which any intended beneficiary, solely because of race, color, national origin, sex, age, disability or retaliation has been otherwise subjected to unequal treatment or impact, under any TDOT program or activity. Discrimination based on the grounds referenced above limit the opportunity for individuals and groups to gain equal access to services and programs. In administering federally assisted programs and activities, TDOT cannot discriminate either directly or through contractual or other means by:

- Denying program services, financial aids or other benefits
- Providing different program services, financial aids or other benefits, or providing them in a manner different from that provided to others
- Segregating or separately treating individuals or groups in any manner related to the receipt of any program service or benefit
- Restricting in any way the enjoyment of any advantage or privilege enjoyed by others receiving any program service or other benefits
- Denying persons the opportunity to participate as a member of a planning, advisory or similar body
- Denying persons the opportunity to participate in the program through the provision of services, or affording the opportunity to do so differently from those afforded others

Who may file a Title VI complaint?

Autoridades

Las dos autoridades principales que hacen posible la implementación, conformidad y cumplimiento del Título VI son la Ley de Derechos Civiles de 1964 y la Ley de Restauración de 1987. Sin embargo, otros estatutos, leyes, reglamentos, ordenes ejecutivas y la Constitución de los EEUU proporcionan orientación para la efectiva orientación de los objetivos del Título VI. Estos incluyen:

- La Ley Federal de Asistencia Vial de 1973
- Sección 504 de la Ley de Rehabilitación de 1973
- Ley de Ciudadanos Americanos con Discapacidades de 1990
- Ley de Discriminación de Edad de 1975
- Ley de Traslado Uniforme de 1970
- Ordenes Ejecutivas 12898 y 13166

Cumplimiento del Título VI

TDOT ha implementado efectivamente todos los requerimientos del Título VI o puede demostrar que ha hecho todos los esfuerzos de buena fe posibles para lograr dar cumplimiento al Título VI. Como subdestinatario de fondos de carreteras federal, TDOT es responsable de prevenir discriminación y de asegurar que no exista discriminación en ningún programa o actividad, sean financiados con fondos federales o no.

TÍTULO VI

CONOCE TUS DERECHOS

Que es el Título VI?

El Título VI de la Ley de Derechos Civiles de 1964 es la ley federal que protege a los individuos y grupos de discriminación basada en raza, color de su piel y origen nacional en programas y actividades que reciben asistencia financiera federal. Sin embargo, cuando la Administración Federal de Carreteras de los Estados Unidos (FHWA, por sus siglas en inglés) hace referencia al Título VI, incluye otras provisiones de derechos civiles de estatutos federales y otras autoridades relacionadas de manera que prohíben la discriminación en programas y actividades que reciban asistencia financiera federal.

Las Normas bajo Título VI de TDOT

Conforme al Título VI de la Ley de Derechos Civiles de 1964 enmendado, la Ley de Restauración de 1987 y otras autoridades en contra de la discriminación, es la norma del Departamento de Transportación del Tucson (TDOT, por sus siglas en inglés) que discriminación basada en raza, color de su piel, origen nacional, género, edad o discapacidad no ocurrirá en ninguno de sus programas o actividades.

Los esfuerzos de TDOT para prevenir la discriminación se dirigirán a, pero no serán limitados a, el impacto de un programa sobre el acceso, bienes, participación, trato, servicios, oportunidades de contratación, oportunidades de capacitación, investigación de quejas, disposición de fondos, priorización de proyectos y las funciones de planeación, desarrollo de proyectos, diseño, adquisición de derecho de vía, construcción e investigación.

“En el Departamento de Transportación de Tucson, nuestro objetivo es asegurar que cada esfuerzo haga prevenir discriminación a través del impacto de nuestros programas, principios y procedimientos.”

Programas incluidos

Los programas que reciban asistencia financiera federal incluyen: cualquier proyecto vial, programa o actividad para la prestación de bienes y servicios. Tales programas incluyen educación o capacitación, oportunidades de trabajo, salud, asistencia pública, rehabilitación, viviendas y otros servicios, ya sea que hayan sido proporcionados directamente por TDOT o indirectamente a través de contratos u otros arreglos con otros representantes.

Qué tipo de discriminación está prohibida bajo el programa Título VI de TDOT?

Discriminación bajo nuestro programa de Título VI es una acción o inacción, intencional o no, por medio de cualquier persona que sería beneficiada, haya sido sujeto a trato o impacto desigual bajo cualquier programa o actividad de TDOT únicamente por su raza, color de su piel, origen nacional, género, edad o discapacidad o represalias.

Discriminación basada en los términos arriba mencionados les limita a grupos e individuos la oportunidad de obtener acceso equitativo a programas y servicios. En la administración de programas y actividades que reciban asistencia financiera federal, TDOT tampoco puede discriminar directa o indirectamente, por medio de contratos o cualquier otro medio para:

- Negar servicios del programa, apoyo financiero u otros beneficios
- Proporcionando diferentes servicios, apoyo financiero u otros beneficios, o proporcionándolos de manera diferente a como se les proporciono a otros
- Segregar o tratar por separado a grupos o individuos de cualquier forma relacionada a la recepción de bienes y servicios
- Restringir de cualquier manera el uso o goce de cualquier ventaja o privilegio de la cual otros que reciben bienes y servicios, usan o gozan
- Negarle a alguien la oportunidad de participar como miembro de un grupo de planeación, de asesoría u otro similar
- Negarle a alguien la oportunidad de participar en el programa mediante la proporción de servicios o dándoles la oportunidad de hacerlo de manera diferente de como se les proporcionó a otros

¿Quién puede presentar una demanda Título VI?

Cualquier individuo(s) que alegue(n) que ha(n) sido sujeto(s) a discriminación o impactado(s) desfavorablemente bajo cualquier programa o actividad de TDOT basados en raza, color de su piel, origen nacional, género, edad, discapacidad o represalias puede presentar una demanda Título VI.

Que información se incluye en una demanda Título VI?

Una queja Título VI por escrito y firmada debe presentarse dentro de los 180 días de la fecha en que se alega que la discriminación ocurrió. La demanda debe incluir la siguiente información:

- Su nombre, dirección y teléfono. Si usted esta presentando la demanda en representación de una tercera persona, incluya su nombre, dirección y teléfono y la relación que tiene usted con la persona agredida (ej. amigo, abogado, padre, etc.)

- Una descripción de cómo, porque y cuando usted cree que discriminaron en su contra. Incluya la mayor cantidad de información que pueda sobre de los actos de discriminación que alega
- Su firma

Que hará TDOT con mi demanda?

Al recibir su demanda, la Oficina de Derechos Civiles de TDOT determinará que agencia tiene jurisdicción para manejar la demanda. Si TDOT no tiene jurisdicción para manejar la demanda, se le enviará a la agencia apropiada. Las alegaciones se investigaran y se intentará resolver cualquier, si es que se encuentren. Si los esfuerzos para resolver las violaciones no resultan exitosos, se dará inicio a procedimientos disciplinarios para asegurar el cumplimiento por parte del receptor demandado.

Hay ayuda para presentar la demanda para personas con problemas de oír o de habla?

Se proveerá asistencia a personas con habilidad limitada en inglés o discapacidad si lo solicitan. Una demanda puede ser presentada usando un formato alternativo. Para presentar una demanda Título VI, se puede comunicar a la Oficina de Derechos Civiles al numero que se menciona a continuación.

Sidewalks crossing streets & the Houghton corridor have curbs w/ ~ 3' wide sidewalks. This w/ 90° corners to the sidewalks paralleling the road create a hazard for bikes & strollers trying to turn the corner. This is particularly disaster for a bike pulling a baby trailer - often causing a tip-over. Walking the bike does NOT help as the narrow pavement w/ high curbs prevent making the corner.

I would like to see the section of Houghton Rd. between Mary Ann Cleveland Ave North to Valencia be given the highest priority. The bumper-to-bumper traffic in AM + PM is only getting worse due to high development of new homes construction, esp. on Mary Ann Cleveland. The traffic already is backed up from Rita Rd. to MAC at various times.
